THIS WEEK FOR KIDS

This week, kids find out what it means to be a part of the body of Christ.

Memory Verse: I Peter 4:10 (NIV)

The Big Idea: God uses my gifts to help others.

The Bible: I Corinthians 12:12-31; Romans 12:6-8

At Home Activity

Print off this week's printable from our website ilovemychurch.org under the families tab. (you can also get all materials mailed to you for the month by sending an email to kidcrossing@ilovemychurch.org.)

Give each kid this week's printable and encourage them to create their own Picasso art! If possible, look up and show examples of Picasso's cubist portraits.

God made you, gave you all the body parts you have, and put them where they are all on purpose! And just like how each of your body parts are important to you, you are important to those around you. . . because God uses your gifts to help others!

Small Group Guide

- How are we connected as one body?
- What are some of the gifts, or roles, God gives us in this week's story?
- What is the most important part of the body of Jesus? (Trick question!)
- Why do you think it's important for us to get together like we do at church?
- Can any part of the body work by itself without being connected to the rest of the body?
- How will you use your gifts to help others this week?
- Why would God say no to something you ask for?
